

DUQUENNE Marie-Noelle (NTYKEN)

Associate Professor «Statistical and Econometric Methods for Spatial Analysis»
(appointment in December 2011, O.J. 1201/30-12-2011)

Date of Birth	30/01/1957
Country of Birth	France
Nationality	Greek and French
Family status	Married
Address	Plakes – Marathos, 37400 Nea Anchialos, Volos
Telephone number	24210-74438
Mobile	6957500991
Email	mdyken@prd.uth.gr marinoduquenne@gmail.com

1

1. STUDIES

- Scientific Baccaauréat, (1975), Paris - France
- Greek Apolytirio (2004), Lamia - Greece

1.1. Degrees and Diplomas obtained

- June 1979 : Licence in Economic Science and Quantitative Methods, Faculty of Economics, University of Paris-X-Nanterre, France
- June 1980 : Maitrise in Economic Science and Quantitative Methods, Faculty of Economics, University of Paris-X-Nanterre, France (DIKATSA, Inter-University Center for the Recognition of Foreign Degrees, No 2215/4-7-1986)
- October 1981 Diplôme d'Etudes Approfondies (DEA, Master Level) in Quantitative Economics and Econometric Methods, Faculty of Economics, University of Paris-X-Nanterre, France (DIKATSA, Inter-University Center for the Recognition of Foreign Degrees, No 2215/4-7-1986)
- Mai 1984 : Doctorat (Ph.d) Mathematical Economics and Econometric Methods, Faculty of Economics, University of Paris-X-Nanterre, France, (DIKATSA, Inter-University Center for the Recognition of Foreign Degrees, No 2215/4-7-1986)
PhD Thesis: "International Specialization and Production prices".

1.2.Scholarships-Awards

- «French Order of the Academic Palms» delivered by the Ministry of Education and Research of France, in 2005.
- PhD Scholarship from the Directorate General for Research and Technology of France (DGRST), 1981-1983.
- Academic and Research Excellence in Higher Education (Aristeia), Ministry of Education, 2012, <http://excellence.minedu.gov.gr/listing/242-country-planning>

1.3. Language skills

French (μητρική), Greek and English

2. PROFESSIONAL EXPERIENCE

- 1981 – 1983 Researcher at the Research Centre **CEDRA, University of Paris-X-Nanterre, Director: Pr G. Abraham-Frois, DGRST contract**
- 1986 – 1992 Scientific researcher, **Institution of Mediterranean Studies**, Athens. Member of the scientific teams in different research programmes, financed by E.U. (MIP Attica, MEDEF et.c), under the coordination of Pr. T. Giannitsi, D. Damianou, Ch Ziogana. Responsible of statistic analysis, creation and management of databases, implementation of on-field surveys.
- 1987 – 1988 Scientific collaborator in the program “International Competitiveness of the Greek Economy, Determinative Factors and the place of Greece in the International Distribution of Employment”, (Responsible. Prof. T. Giannitsi) **National and Kapodistrian University of Athens**.
- 12/1992 – 02/1997 Associate consultants, **Vakakis International S.A.** Agricultural Development Consultants. Co-ordinator of E.U. research programs in Europe and Africa concerning the agricultural and rural sectors (Projects Science-Technology and Development / STD). Responsible of on-field surveys, creation of databases, statistical and economic analysis. Specially involved in STD programmes of the E.U. In this context, a lot of short missions have been realized in all the rural areas of Greece, in Bulgaria, in Morocco and Tunisia, in Burkina Faso, Ivory Coast, Togo, Guinea, Zimbabwe, Zambia, Swaziland, Malawi and Lesotho.
- 1993 Scientific collaborator in the program "Field Reorganization and Exploitation of the Work-force, Special Forms of Employment and New Work Relations". **Work Institute of the National Confederation of Greek Workers** (Scientific responsible: G. Gouzis, V. Georgakopoulou). Program of the EEC - Ministry of Employment and Social Protection.
- 1993 - 1995 Scientific collaborator of the research team at the Direction of Studies and Planning, **Agricultural Bank of Greece**, for the project: "Agricultural Peri-urban areas: functions – transformations – perspectives". Data survey's coordination, co-author of the book “Peri-urban rural Areas: Functions, Transformations, Foresight” (in Greek). Coordinator: As Pr. A. Moissidis.
- 1994-1995 Scientific collaborator at the **Agricultural University of Athens, Department of Agricultural Economy**, Laboratory of Agricultural Economy. Member of the scientific team in the programs: “Pilot Survey of total incomes of Farm Households in Greece” (EU Research, DG VI/A3) and “Strategies concerning the employment of feminine work-force in the rural areas” (Community Research Program «DEMETRA: Labor strategies of farm women in (non) diversified rural areas of Europe», AIRCT94-2414, (Responsible: Prof. S. Efstratoglou)
- 1995 Scientific researcher (contractual researcher) at the **University of Crete, School of Social Sciences**. Member of the scientific team involved in the study “Development study of the regions of Patras and Aigialia” Project K.A. 491.
- 1995 – 1997 Scientific researcher, **Centre of Social Morphology & Social Policy of the Panteion University (KEKMOKOP)**. Member of the scientific team involved in the study “Aged people in rural areas – survival conditions”, (Responsible: As. Prof. A. Moissidis), Coordinator of the data survey.
- 03/1997-05/1998 Scientific advisor of General Secretary of Forests and Natural Environment, **Greek Ministry of Agriculture**.
- Responsible at the Head office of the General Secretary for collaborations with research teams' universities and other institutions'

- research teams, as regards programmes and studies attributed by the Ministry.
- Participation to the organization of three workshops on scientific issues: (a) Sustainable certified wood (April 1997, Thessaloniki), (b) Forest and flood protection (Symposium, March 1997, Athens), (c) Protection and enhancement of peri-urban forests (Symposium, March 1998, Athens)
 - Contribution to the report (E. Beriatos and D. Psaltopoulou) "Towards a modern policy on forests and the natural environment (Green Paper)".
 - Participation in the action program concerning a 'package' of 21 selected projects (Agenda 21) for the period 1998-2005.
- 06/1998-09/1999 Scientific advisor of General Secretary, **Greek Ministry of Environment, Planning and Public Works**.
- Responsible at the Head office of the General Secretary for collaborations with research teams' universities and other institutions' research teams, as regards programmes and studies attributed by the Ministry.
 - Member of the Monitoring Committee of the "Action Plan" of the Ministry
 - Member of the working group concerning the monitoring of the "Life Quality Program"
 - Member of the evaluation team concerning proposals for the LIFE-Nature program
 - Participation to the organization of a series of scientific events (conferences, symposia, etc.) concerning urban planning, environmental and urban issues.
- From 1999: Member of the scientific team of the **Laboratory of Rural Areas** of the University of Thessaly (Director: Pr D. Goussios)
In particular, in context of the activities of the Laboratory, I have contributed to the preparation, organization and implementation of the French-Hellenic Master Program "Spatial Dynamics and Rural Planning" in collaboration with the University of Blaise-Pascal Clermont-Ferrand. The Master operates from the academic year 2004-2005.
- From 2000: Member of the scientific team of the **Laboratory of Demographic and Social Analysis (LDSA)**, University of Thessaly.
In particular, in context of the activities of the Laboratory, I have contributed to the preparation, organization and implementation of the French-Hellenic Master Program "Population, Development, Strategic Prospects" in collaboration with the University of Montesquieu- Bordeaux IV. The Master operates from the academic year 2005-2006.
- 2000-2003 Teaching appointment at the **Department of Management of Rural Environment and Natural Resources, University of Thessaly** (Visiting Assistant Professor). Lessons: Economy of Environment, Economic Principles of Management.
- 2000-2006 Teaching appointment at the **Department of Urban Planning and Regional Development, University of Thessaly** (Visiting Assistant Professor). Lessons: Statistics, Econometric Analysis, Statistics with SPSS, Data analysis and Local Development – Diagnostic Methods.
- 11/2004 -12/2011 Assistant Professor «Statistical and Econometric Methods for Spatial Analysis», (appointment in March 2006, O.J. 62/09-03-2006 and December 2009, O.J. 1048/31-12-2009).

2011 Invited researcher at the *Institut National d'Etudes Démographiques* (INED, France) for the period September until November (3 months).

3. ADMINISTRATIVE WORK

- Deputy Director of the joint Franco-Greek Master DYNTAR.
- Member of the Interdepartmental Committee of the joint Franco-Greek Master DYNTAR.
- Member of the Interdepartmental Committee of the joint Franco- Greek Master PODEPRO.
- Substitute Member of the Committee for European Educational Programs Erasmus of the University of Thessaly.
- Alternate Substitute Member of the Library Committee of the University of Thessaly.
- Member of the Task Force relative to the Agenda of the Department of Planning and Regional Development (DPRD) of the University of Thessaly, 2008-2010.
- Member of the team in charge of the Internal Evaluation Report of the DPRD, semesters: Spring 2007/8 - Winter 2008/9.
- Member of the Organizing Committee and / or Scientific Committee of the following Conferences:
 - Atelier REAPER, Le Développement des Petits Ruminants en Afrique du Nord et au Proche- Orient, Hammamet, Tunisie, (17-20 September 1994).
 - Conference of Geographers of France , at the General Assembly of the French National Association of Geographers involving 45 French geographers, Volos, (September 2001).
 - Symposium: Current Approaches and recommendations for the balanced development of the Province of Farsala, Farsala Thessaly (23 February 2002).
 - Workshop presentation of the project "Network Employment Promotion ", CP EQUAL, DP IN ACTION, Larissa (December 2003).
 - Two-day Conference: The Importance of Networking and Coordination of local structures to promote the employment of disadvantaged groups. "Network Employment Promotion", CP EQUAL, DP IN ACTION, Larissa (December 2004).
 - 2nd Biennale de la Montagne, UCCIMAC, La Bresse Vosges, France (October 2007).
 - 2nd National Conference of Planning and Regional Development, Volos (September 2009).
 - 3rd National Conference of Planning and Regional Development (September 2012).

4. TEACHING EXPERIENCE

- 1981-1982: Teaching at the Economic School of the University of Paris-X-Nanterre, France.
Teaching assistant (Chargé de Travaux Dirigés)
Course: *Statistical Analysis I*
- 1985-1990: Teaching at the French Institute CFES, based in Athens, under contract with the French universities of Grenoble and Rouen.
Courses: (a) *Macroeconomics I and II*, (b) *Political Economy and Economy of Development*(c) *Statistics* (d) *Econometrics*
- 2000-2002. Teaching in the Extended University Program (EUP) “Rural Environment and Natural Resources’ Management”, University of Thessaly,(Temporary academic staff)
Courses: (a) *Environmental economy*, (b) *Principles of economic management*
- 2000-2004. Teaching at the Department of Planning and Regional Development, University of Thessaly, School of Engineering, (Temporary academic staff)
Courses:

2000-2004: *Econometrics*,
 2001-2004: *Data Analysis*,
 2002-2004: *Statistics*,
 2002-2004: *Local Development and Local Government*, co-teaching,

2004-2012. Teaching at the Department of Planning and Regional Development, University of Thessaly, School of Engineering,

Undergraduate Program:

2013-2014: *Political Economy* (co-teaching)
 2004-2014: *Econometrics*,
 2004-2014: *Statistics*,
 2004-2010: *Data Analysis*,
 2004-2005: *Local Development and Local Government*,

Master level:

2009-2014: *Methods and Tools for Territorial Development Project*, Greek-French Master DYNTAR «Spatial Dynamics and Rural Planning»
 2008-2014: *Specification of resources*, Greek-French Master DYNTAR «Spatial Dynamics and Rural Planning»
 2004-2014: *Local Economy and Development in its Regional Framework*, Greek-French Master DYNTAR «Spatial Dynamics and Rural Planning»
 2004-2008: *Methodological Tools of Statistic and Econometric Analysis*, Greek-French Master DYNTAR «Spatial Dynamics and Rural Planning»
 2011-2014: *Local Development*, Greek-French Master PODEPRO «Population, Development, Foresight»
 2005-2014: *Data Analysis*, Greek-French Master PODEPRO «Population, Development, Foresight»
 2005-2011: *Data Processing and on Field Study*, Greek-French Master PODEPRO «Population, Development, Foresight»
 2010-2014: *Methods of Spatial Economic Analysis*, Master in «European Regional Development Studies»
 2013-2014: *Spatial Analysis* (co-teaching), Master in «Spatial Analysis and Environmental Management»

6. INVITATION FOR LECTURE (SEMINARS & WORKSHOPS)

September 1994: Atelier REAPER, Le Développement des Petits Ruminants en Afrique du Nord et au Proche-Orient, Hammamet, Tunisie.

April 2000: Lecture: “Les Enquêtes: Instruments de travail pour la conduite d’une recherche ou étude”, Seminar for the Mediterranean Doctorat (Universities of Thessaly, Montpellier II, Cordoue, Hassan II, Caire, Tunis), Volos (3 hours)

December 2000: Lectures: “Statistical analysis and creation of Data bases”, in the framework of the DAC-OECD program, (Universities of Thessaly and Korca), Korca, Albania, (9 hours)

January 2001: Lectures: “Codification of variables and application through SPSS”, in the framework of the DAC-OECD program, (Universities of Thessaly and Korca), Korca, Albania, (9 hours)

May 2001: Lectures: “Statistical analysis with SPSS”, in the framework of the DAC-OECD program, (Universities of Thessaly and Korca), Korca, Albania, (9 hours)

April 2002: Communication: “Theoretical and Methodological approaches for the study of Peri-urban areas”, in the framework of the Master Planning and Regional Development, University of Thessaly, 22 April, (3 hours).

July 2002: Lectures: “Statistical, Econometric Analysis and Data Analysis with SPSS”, Phare Project “Technical Assistance to support the reform of the Statistical System of Bosnia and Herzegovina”, Bania Louka, Bosnia (5 days – 40 hours).

December 2002 – Ιανουάριος 2003: Lectures: (a) “Indexes: usefulness of indexes at different geographical / administrative scales” (10 hours), (b) “Definition of indexes” (10 hours), (c) “Estimation and statistical treatment of indexes with SPSS” (20 hours), in the context of the «Training seminar for Employees of the Periphery of Thessaly», Program «POLITEIA», University of Thessaly, EETAA, Union of Municipalities of Larissa, (2 groups of 15 persons).

July 2003: Lectures: “Statistical analysis with SPSS” (15 hours), in the context of the scientific support to PhD Students of the PENED 2001 Program: «Mapping and analysis of socio-demographic characteristics of the Modern Greek women and spatial differentiation” DPRD, University of Thessaly (10 to 16 July).

December 2003: Lectures: “Statistical analysis with SPSS” (18 hours), addressed to municipal employees of the municipality of Volos, City Educational Agency of Volos.

September 2007: Lectures: “The implementation of statistical methods in demography and spatial analysis” (30 hours), addressed to the students of the two Masters of Demography, University of Montesquieu-Bordeaux IV, in the context of the cooperation between the DPRD, University of Thessaly and IEDUB University Montesquieu-Bordeaux IV

September 2008: Lectures: “The implementation of statistical methods in demography and spatial analysis” (30 hours), addressed to the students of the two Masters of Demography, University of Montesquieu-Bordeaux IV, in the context of the cooperation between the DPRD, University of Thessaly and IEDUB University Montesquieu-Bordeaux IV

September 2009: Lectures: “The implementation of statistical methods in demography and spatial analysis” (30 hours), addressed to the students of the two Masters of Demography, University of Montesquieu-Bordeaux IV, in the context of the cooperation between the

DPRD, University of Thessaly and IEDUB University Montesquieu-Bordeaux IV
November 2009: Lecture: “Alternative approaches of Local Development” (3 hours), addressed to the students of the Masters of the Department of Planning and Regional Development (DPRD)

September 2010: Lectures: “The implementation of statistical methods in demography and spatial analysis” (30 hours), addressed to the students of the two Masters of Demography, University of Montesquieu-Bordeaux IV, in the context of the cooperation between the DPRD, University of Thessaly and IEDUB University Montesquieu-Bordeaux IV

Φεβρουάριος 2010: Journée d'études sur l'Olivier, UMR, TELEMME, MMSH, Université Aix-en-Provence, Aix-en-Provence, 12 Φεβρουάριος

September 2011: Lectures: “The implementation of statistical methods in demography and spatial analysis” (30 hours), addressed to the students of the two Masters of Demography, University of Montesquieu-Bordeaux IV, in the context of the cooperation between the DPRD, University of Thessaly and IEDUB University Montesquieu-Bordeaux IV

September 2012: Lectures: “The implementation of statistical methods in demography and spatial analysis” (25 hours), addressed to the students of the two Masters of Demography, University of Montesquieu-Bordeaux IV, in the context of the cooperation between the DPRD, University of Thessaly and IEDUB University Montesquieu-Bordeaux IV

October 2012: Communications: “The usefulness of spatial econometrics to better understand the socio-economic phenomena” (6 hours), Seminars organized by the University of Corsica - France (UMR CNRS LISA)

September 2013: Lectures: “The implementation of statistical methods in demography and spatial analysis” (25 hours), addressed to the students of the two Masters of Demography, University of Montesquieu-Bordeaux IV, in the context of the cooperation between the DPRD, University of Thessaly and IEDUB University Montesquieu-Bordeaux IV

7. OTHER RESEARCH ACTIVITIES

7.1. Research Programs

No	Dates	Position, Research's Title, Sponsor
7.1.1	1986	Scientific collaborator in the program " <i>The Incorporation into the European Community and the Consequences on Industry and Exporting Commerce</i> " («Greece-EEC»), Foundation of Mediterranean Studies, (Scientific responsible: Prof. T. Giannitsi), duration: 4 months. The results of the research have been published in 1998: “Integration in the European Community and impacts on Industry and Foreign Trade”, Ed. Foundation of Mediterranean Studies, Athens, 447p.
7.1.2	1987-1988	Scientific collaborator in the program “ <i>International Competitiveness of the Greek Economy, Determinative Factors and the Place of Greece in the International Distribution of Employment</i> ”, National and Kapodistrian University of Athens. (Scientific responsible: Prof. T. Giannitsi), duration: 13 months.
7.1.3	1987-1989	Scientific collaborator in the program “ <i>Completion of the European South in the International Market and Policy Problems</i> ”. Foundation of Mediterranean Studies (Scientific responsible: Prof. T. Giannitsi), duration: 24 months.
7.1.4	1989-1992	Scientific collaborator in the program " <i>The pluriactivity in the Rural Sector and the Development Policy of Greece</i> ", Foundation of Mediterranean Studies, Mediterranean Integrated Program of Attika, (Scientific responsible: Prof. Ioannis Samaras, Coordinator: A. Moissidis), duration: 25 months. The results of the research have been published in 1994 as a publication of

- the Foundation for Mediterranean Studies in collaboration with Editor "Alexandria".
- 7.1.5** 1991-1992 Scientific collaborator in the program "*Factors of Resistance towards the Estrangement of the Mountainous and Unfavorable Zones in the European Mediterranean*". Foundation of Mediterranean Studies (Scientific responsible: D. Goussios). Research Program CIHEAM / IAMM / MEDEF-CEE DGVI A5, No P262, duration: 11 months.
- 7.1.6** 1991-1992 Scientific collaborator in the program "*Dynamic Units, Potential Innovations and Reorganization of the Rural Sector*", Foundation of Mediterranean Studies, Mediterranean Integrated Program of Attika, (Scientific responsible: Prof. Ioannis Samaras, Coordinator: Prof. Chr. Zioganas), duration: 8 months.
The results of the research have been published in 1994 as a publication of the Foundation for Mediterranean Studies in collaboration with Editor "Alexandria".
- 7.1.7** 1991-1992 Scientific collaborator in the program "*The Greek Middle Class Enterprises in front of the Modern Technological Challenges: innovative Potentiality of the Medias of the micro-electronics and informatics*". Foundation of Mediterranean Studies (Scientific responsible: Prof. Babanasis, Coordinator: V. Georgakopoulou). Financed by the General Secretariat for Research and Technology and the Hellenic Organization of Small Medium Sized Enterprises and Handicraft, duration:12 months
- 7.1.8** 1993 Scientific collaborator in the program "*Field Reorganization and Exploitation of the Work-force, Special Forms of Employment and New Work Relations*". Work Institute of the National Confederation of Greek Workers (Scientific responsible: G. Gouzis, V. Georgakopoulou). Program of the EEC- Ministry of Employment and Social Protection, duration: 3 months
- 7.1.9** 1993-1995 Scientific collaborator and coordinator for the Greek research group working on the program "*Augmentation de la production chez la chèvre: reproduction et alimentation, au Maroc et en Tunisie*". Research program STD3/REAPER/CEE-DGXII (No STD3-CT92-0119). Istituto Sperimentale Italiano Lazzaro Spallanzani, Milano, (General scientific responsible and coordinator of the program: Professor: G. ENNE). Network REAPER, duration: 36 months.
- 7.1.10** 1993-1995 Scientific collaborator in the program "*Peri-urban Rural Area: Functions–Transformations–Perspectives*". Research program of the Agricultural Bank of Greece, (Research coordinator: A. Moissidis), Duration: 18 months.
The results of the research have been published in 1996 by the Agricultural Bank of Greece, in the series: Studies of Rural Economy (No. 52) of the Directorate of Studies and Planning.
- 7.1.11** 1993-1996 Scientific collaborator in the program "*Socio-Economie de l'Elevage Ovin Peri-Urbain*", (Socio-economic Analysis of the Peri-urban Cattle Raising in the Western Africa). Research program STD3/REAPER/CEE-DGXII (No.ERB3504PL92418). (Scientific responsible and general coordinator: Mr. D. Planchenault, CIRAD-EMVT-France), in collaboration with Vakakis International S.A., duration: 48 months
- 7.1.12** 1994 Scientific collaborator in the program "*Pilot Survey of Total Incomes of Farm households in Greece*". Research of the EU, DG VI/A3 (Scientific responsible: Prof. S. Efstratoglou, AUA). Agricultural University of Athens, Department of Agricultural Economy, duration: 4 months
- 7.1.13** 1994-1995 Scientific collaborator in the program "*Strategies concerning the Employment of feminine work-force in the Rural Areas*", Community Research Program «DEMETRA: Labour strategies of farm women in (non)

- diversified rural areas of Europe», AIR CT94-2414, (Scientific responsible: Prof. S. Efstratoglou). Agricultural University of Athens, Department of Agricultural Economy, Laboratory of Agricultural Economy, duration: 2 months
- 7.1.14** 1995-1998 Main scientific member in the research group and coordinator of the Greek group working on the program "*Improved Integration of Small Ruminants with a View to Economical and Ecologically Sustainable Production in Smallholder Crop/livestock Systems in Southern Africa (Zimbabwe, Zambia, Malawi, Swaziland, Lesotho)*". Research program STD3/REAPER/CEE, DGXII (No. TS3-Ct94-0336). (Scientific responsible and general coordinator: Prof. Teuscher, University of Humboldt, Center for International Agriculture Development, Berlin), duration: 48 months
- 7.1.15** 1995 Scientific member of the research group working on the program "*Study on the Development of the Region of Patras and Aigialeia*". University of Crete, Faculty of Social Sciences, Department of Economics, Program K.A. 491 (Scientific responsible: G. Stathakis), Study on behalf the Manpower Employment Organization (OAED), duration: 4 months
- 7.1.16** 1995-1997 Main scientific member of the research group working on the program "*Elderly Persons in the Agricultural Area: Examination of the living conditions of the veterans of the Greek country*". Centre for the Social Morphology and Social Policy, Department of Social Politics and Social Anthropology, Panteion University (Scientific responsible: Assoc. Prof. A. Moissidis), duration: 15 months.
The results of the research have been published in 2002, "The Elderly in Rural Area: Living conditions and aspects of social exclusion. Case study in two communities ", Ed Gutenberg, Athens.
- 7.1.17** 1996-1997 Main scientific member of the research group working on the program "*The Agreement of GATT and its Consequences on the Greek Agricultural Production*". Agricultural University of Athens, Department of Agricultural Economy and Development, Greek Centre of European Studies (EKEM), Pan-Hellenic Confederation of the Agricultural Cooperatives Association, (Scientific responsible: Prof. Nap. Maravegias), duration: 19 months.
The results of the research have been published in 1999, Ed EKEM, Athens
- 7.1.18** 1996-1999 Main scientific member of the research group working on the program "*Agroalimentaire Paysan Européen: Caractéristiques distinctives des produits transformés à la ferme. Comportement des consommateurs et des marchés*". Research program of the E.U., General Direction VI, FAIR (CT95-360), (General coordinator of the program: GRET, Paris). University of Thessaly, Department of Planning and Regional Development (Scientific responsible: Assistant professor D. Goussios), duration: 36 months.
- 7.1.19** 1998-1999 Main scientific member of the research group working on the program "Research-registration of Carriers, Members and Activities in the Sector of Social Economy in Greece and Creation of a Data Base". Program of the EU, DG XXIII for the "Foundation and Organization of a Central Carrier of Social Economy in Greece", Pan-Hellenic Association of Consumption Cooperatives and University of Thessaly, Laboratory of Geographical Research and Environmental Planning and Laboratory of Rural Areas. (Director: Prof. Elias Beriatos), duration: 12 months
- 7.1.20** 1998-1999 Main scientific member of the research group working on the program "Research on the Strategic Planning and Management of the Air Substructure in the Regions of Western Greece and the Peloponnese" (Service of Civil Aviation). Realization carrier: University of Thessaly, Department of Planning and Regional Development. (Scientific responsible: Prof. E. Beriatos), duration: 12 months.
- 7.1.21** 1999-2000 Main scientific member of the research group working on the program

- “*Spatial partition of Agriculture according to the Economic Effectiveness and Determination of the Problematic Agricultural Area, mainly on the Mountainous areas, border regions and Island Areas*”, Financed by the Ministry of Rural Development and Food. University of Thessaly, Department of Planning and Regional Development and the Studies Society “Global View”, (Scientific responsible: Assoc. Prof. D. Goussios), duration: 12 months.
- 7.1.22** 1999-2000 Main scientific member of the research group working on the program “*Researching the Actions for the Environmental Sensitization in three Regions of Greece*”, Financed by the Ministry of Environment, Physical Planning and Public Works, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 12 months.
- 7.1.23** 2000-2001 Main scientific member of the research group working on the program “*Research-study on the Planning Arrangement–economical Development and the Municipality of Aithikes through the Creation of a ski centre in the Region of Marosa-Neraidochori*”. Financed by the Direction of Local Authority and Administration of the prefecture of Trikala, Municipality of Aithikes. University of Thessaly, Department of Planning and Regional Development, (Scientific responsible: Prof. V. Kotzamanis), duration: 9 months.
- 7.1.24** 2000-2001 Main scientific member of the research group working on the program “*Management of the Anthropogenous and Natural Environment in the Mountainous South-western part of the Region of Koritsa-Albania*”. Program of Development Assistance of the Ministry of Environment, Physical Planning and Public Works, (DAC/OECD). University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 18 months.
- 7.1.25** 2000-2001 Main scientific member of the research group working on the program “*Program for the Sensitization of the Local Authorities and Citizens in the Protection and Elevation of the Cultural and Natural Environment in Mountainous and Island Areas*”. Financed by the Ministry of Environment, Physical Planning and Public Works, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 12 months.
- 7.1.26** 2002 Scientific responsible for the research group of the Laboratory of Rural Areas working on the program “*Study of the Tourist Development of the Region of Thessaly, 2001-2006*”, Financed by: Greek National Tourism Organization, Studies Society PETA, duration: 6 months.
- 7.1.27** 2002-2003 Main scientific member and coordinator of the research group working on the program “*Development and Up gradation of Studies-researches, aiming at the Estimation of the Dynamics of the Business and Productive System*”. Research in the framework of the Community Initiative EQUAL, Title of the work: «Network for the Promotion of Employment». Development co-operation: EN DRASI, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 15 months.
- 7.1.28** 2002-2003 Main scientific member of the research group working on the program “*Alternative Crop Integration in a Spatial Analysis*”. Research Program ALTENER of E.U. (General Coordinator of the Program: CIEMAT – Madrid). University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 18 months
- 7.1.29** 2002-2003 Main scientific member of the research group working on the program “*Documentation of the National Censuses in the EU, EFTA and Candidate*

- Countries*". Research Program EUROSTAT. University of Thessaly, Department of Planning and Regional Development, Laboratory of Demographic and Social Analysis. (Director: Prof. V. Kotzamanis), duration: 24 months.
The results of the research have been published in 2004, ed. EUROSTAT, Luxembourg, 362 p.
- 7.1.30** 2002-2004 Responsible for controlling and certifying the natural object of 17 sub-works in the framework of the total work "Network for the Promotion of Employment" in the framework of the Community Initiative EQUAL, Development Co-operation: EN DRASI, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas, duration: 28 months.
- 7.1.31** 2003 Main scientific member of the research group working on the program "*Thematic Mapping on Non-income Dimensions of Poverty in Albania*", Research Program of the World Bank. University of Thessaly, Department of Planning and Regional Development, Laboratory of Demographic and Social Analysis, (Director: Prof. V. Kotzamanis), duration: 6 months.
- 7.1.32** 2003-2004 Main scientific member and coordinator of the research group working on the program "*Development of New Dexterities, New Qualities and Professions*".
Research in the framework of the Community Initiative EQUAL, Title of the work: "Network for the Promotion of Employment". Development Co-operation: EN DRASI, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas, (Director: Assoc. Prof. D. Goussios), duration: 12 months.
- 7.1.33** 2003 Main scientific member of the research group working on the program «*The promotion of the real convergence in the Regions of Thessaly, Central Macedonia, Epirus and Peloponnese*», Expertise financed by the Ministry of Economy and Finance, Laboratory of Rural Areas, University of Thessaly (Director: Assoc. Prof. D. Goussios), duration: 3 months.
- 7.1.34** 2003-2004 Main scientific member of the research group working on the program "*Action Project for the Participation of Greece in the Program Leader of the Mediterranean*". Study-Expertise financed by the Ministry of Rural Development and Food. University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 2 months.
- 7.1.35** 2003-2004 Main scientific member of the research group working on the program "*Local Strategies for Employment and Innovation*", EU program "Innovative funding tools based on Article 6 of the ESF rules and regulations", funded by Region of Thessaly, Coordinator: Development Agency of Karditsa (ANKA), duration: 8 months.
- 7.1.36** 2003-2006 Scientific collaborator in the framework of the program "*Presentation and Analysis of the Socio-economical and Demographic Characteristics of Modern Greece and their Territorial Differentiations*". Program of the Assistance of Research Potentiality (PENED 2003-2005), General Secretariat for Research and Technology/Research Centre for Gender Equality. University of Thessaly, Department of Planning and Regional Development, Laboratory of Demographic and Social Analysis, (Director: Assistant Professor V. Pappas), duration: 36 months.
- 7.1.37** 2004 Scientific responsible for the program "*Dynamics of the Local Productive System – Employment / Entrepreneurship*", Research in the framework of the Community Initiative EQUAL, Title of the work: "Network for the Promotion of Employment". Development Co-operation: "EN DRASI", University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas, duration: 10 months

- 7.1.38** 2004 Main research member of the research group for the “*Study on the Definition and determination of Actions of the Social Economy in the framework of the Realization of actions included in the Regional Operational Program, according to the Thessalian particularities*”, financed by the Regional Operational Program of Thessaly, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 4 months.
- 7.1.39** 2004-2006 Member of the research program, “*e-Demography – Digital Substructure of Information, Documentation and Analysis of the Demographic Information*”, Program “PYTHAGORAS, support to the research groups at Universities”, General Secretariat for the Commerce, University of Thessaly, Department of Planning and Regional Development, Laboratory of Demographic and Social Analysis, (Director: Prof. V. Kotzamanis), duration: 24 months
- 7.1.40** 2005-2006 Scientific responsible, “Internal Valuation of the Work of the Programme FORMDER – Tempus, Formation Multipole et Pluridisciplinaire en Developpement Rural”, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas, in collaboration with IAMM – France (Coordinator), Universities of Cairo –Egypt and Hassan II – Morocco, duration: 36 months.
- 7.1.41** 2006 Main scientific member and coordinator of the research group working on the program “*Diagnostic studies as regards the development of activities in the Social Economy and Solidarity Sector*”. Research in the framework of the Community Initiative EQUAL, Title of the work: «Social Economy and Entrepreneurship – local community: Integrated Support», (Committee Research Code: 3279.013). Development co-operation: KENTAVROS, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 9 months.
- 7.1.42** 2006 Main scientific member and coordinator of the research group working on the program “*Design and Configuration of an electronic register concerning the actors of the Social Economy and Solidarity Sector in Thessaly*”. Research in the framework of the Community Initiative EQUAL, Title of the work: «Social Economy and Entrepreneurship – local community: Integrated Support», (Committee Research Code: 3279.015). Development co-operation: KENTAVROS, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 4 months.
- 7.1.43** 2006-2007 Scientific collaborator of “*Action II – Trans nationality*”. Research in the framework of the Community Initiative EQUAL, Title of the work: «Social Economy and Entrepreneurship – local community: Integrated Support», (Committee Research Code: 3279.023). Development co-operation: KENTAVROS, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas. Responsible of the evaluation of the Trans nationality actions, duration: 21 months.
- 7.1.44** 2006-2007 Main scientific member of the research group working on the program, “*Pilot implementation of the register of Social Economy in Thessaly and redaction of its guide*”. Research in the framework of the Community Initiative EQUAL, Title of the work: «Social Economy and Entrepreneurship – local community: Integrated Support», (Committee Research Code: 3279.016). Development co-operation: KENTAVROS, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 9 months.
- 7.1.45** 2006-2008 Main scientific member of the research group working on the program,

- “*Creation and Development of active networks in the Social Economy and Solidarity Sector at regional and local level*”. Research in the framework of the Community Initiative EQUAL, Title of the work: «Social Economy and Entrepreneurship – local community: Integrated Support», (Committee Research Code: 3279.024). Development co-operation: KENTAVROS, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 27 months.
- 7.1.46** 2007 Main scientific member of the research group working on the program, “*Evaluation of results - proposals for the development of Social Economy and Solidarity Sector in Central Greece and Thessaly*”. Research in the framework of the Community Initiative EQUAL, Title of the work: «Social Economy and Entrepreneurship – local community: Integrated Support», (Committee Research Code: 3279.017). Development co-operation: KENTAVROS, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 8 months.
- 7.1.47** 2007-2008 Main scientific member of the research group working on the program, “*Alternative proposals and actions allowing the functioning of the Observatory of Social Economy, after the end of the program*”. Research in the framework of the Community Initiative EQUAL, Title of the work: «Social Economy and Entrepreneurship – local community: Integrated Support», (Committee Research Code: 3279.018). Development co-operation: KENTAVROS, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 11 months.
- 7.1.48** 2008 Scientific member of the research group working on the program “*Développement Agricole et Rural, Etude Nationale Grecque*”, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Space (Director: Assoc. Prof. D. Goussios), and I.A.M.M. France (coordinator), duration: 3 months
- 7.1.49** 2008 Main scientific member of the research group working on the program “*Comprehensive analysis of the development capabilities of the municipality of Livadi - Elassona*”, Program INTERREG IIIB Archimed, “*Harmonious Development of rural and insular Areas*”, (Committee Research Code: 3672), University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas (Director: Assoc. Prof. D. Goussios), duration: 2 months.
- 7.1.50** 2008 Scientific coordinator of the research, “*The olive oil: evaluation of consumers’ preferences in Greece*”, University of Thessaly, Department of Planning and Regional Development in collaboration with Ceramac, University of Clermont-Ferrand, duration: 5 months.
- 7.1.51** 2009 Main scientific member of the research group working on the program “*Research about the correlation between air pollutants and morbidity of cardiopulmonary diseases during the period 2001-2007 in the municipality of Volos*”, University of Thessaly, School of Health and Engineering School, (Coordinator Pr. K. Gourgoulianis), duration: 12 months
- 7.1.52** 2009-2010 Scientific coordinator of the research program: “*Analysis of the potentialities of development for the communes of Grevena*”, University of Thessaly, Department of Planning and Regional Development, Funded by Municipality of Grevena, (Committee Research Code: 4064), duration: 4 months.
- 7.1.53** 2009-2010 Scientific coordinator of the research program: “*Analysis of the potentialities of development for the communes of Kastoria*”, University of Thessaly, Department of Planning and Regional Development, Funded by

- Municipality of Ionos Dragouni, (Committee Research Code: 4136), duration: 4 months.
- 7.1.54** 2011 Scientific coordinator with G. Vlontzos of the research program “*Consumers’ patterns of olive oil in the Greek market*”, University of Thessaly, Department of Planning and Regional Development and Department of agriculture crop production and rural environment, duration: 12 months.
- 7.1.55** 2013 Scientific coordinator of the research program: “*Scientific support to the municipality of Riga Feraiou as regards the specification of the European Cohesion Policy at local level with objective to find funds - through the Structural Funds - for a modern development policy*”, University of Thessaly, Department of Planning and Regional Development, Funded by Municipality of Riga Feraiou, (Committee Research Code: 4695), duration: 4 months.

7.2. Other Studies

<i>No</i>	<i>Date</i>	<i>Position, Title, Sponsor</i>
7.2.1	1992	Scientific collaborator in the program “Economic-technical Study on Works at the Port of Kalimnos”, at the Society of Economic and Development Studies ECOPLAN.
7.2.2	1993	Scientific collaborator in the program “Rotational versus Non rotational Set-aside of Cereals in Greece”, Study of EU, DG VI, at the Society VAKAKIS INTERNATIONAL S.A., (Scientific responsible: Prof. S. Efstratoglou, AUA).
7.2.3	1993-1992	Scientific collaborator in the program "Estimation of the Technological Consequences on the Greek Agriculture, 2000-2010". Program IVET General Secretariat for the Commerce and Technology, at the Society VAKAKIS INTERNATIONAL S.A.
7.2.4	1994	Scientific collaborator in the program “Survey on the Investment Requirements of Private Livestock Farms in Bulgaria”, in the framework of the program “Demonstration Private Farming Enterprises”, Phare Programme, at the Society VAKAKIS INTERNATIONAL S.A..
7.2.5	1995	Scientific collaborator in the program "Economic-technical Study of the Works at the Port of Killini", at the Society of Economic and Development Studies ECOPLAN.
7.2.6	1995	Scientific collaborator in the program "Study of Organization and Business Planning for the Confrontation of Natural Destructions in the Aegean Sea (Forest fires)", Ministry of the Aegean Sea, at the Studies Society VAKAKIS INTERNATIONAL S.A..
7.2.7	1996	Scientific collaborator in the program: "Study on the Cost-Profit of the Regional General Hospital of western Attica", at the Society of the National Corporation for the Construction of Hospital Units, (DEPANON).
7.2.8	1996-1997	Main scientific member of the research group working on the program "Study-Research on the Rural Area" (Ministry of Environment, Physical Planning and Public Works), in collaboration with the Agricultural University of Athens, the University of Thessaly and the Studies Society VAKAKIS-Consultants of Agricultural Development.
7.2.9	2000	Scientific responsible, “Study on the Complete Development Program for the Development of the Rural Area in the Mountainous Region of Milopotamos-Crete”, (Ministry of Rural Development and Food, Direction of Planning), at the Society of Development Research (Herakleion Crete).

- 7.2.10** 2000 Member of the group working on the program “Study on the Complete Development Program for the Development of the Rural Area in the Region of the Mountainous Lefkada”, (Ministry of Rural Development and Food, Direction of Planning), at the Society of Economic and Development Studies ECOPLAN.
- 7.2.11** 2000 Scientific collaborator, “Strategic Planning for the Mountainous Regions of Greece” (Ministry of Environment, Physical Planning and Public Works). Realization carriers: University of Thessaly– Laboratory of Rural Areas and Society “PINDOS S.A.”. (Scientific responsible: Assistant Professor D. Goussios).
- 7.2.12** 2002 Responsible for writing the valuation report on the program “Valuation of the program: Training seminar for the employees of the Region of Thessaly” in the framework of the Business Program “POLITIA”, (Region of Thessaly, University of Thessaly, Hellenic Agency for Local Development and Local Government, Local Association of Municipalities and Communities of Larissa).
- 7.2.13** 2002 Member of the work group, responsible for the estimation and analysis of the socio-economical characteristics of the area under examination, in the framework of the program “Study on the Complete Program of Development of the Rural Area “Orthris” in the prefecture of Magnesia”, (Region of Thessaly), in collaboration with the Laboratory of Rural Areas (University of Thessaly) and ANEM.
- 7.2.14** 2004 Member of the research group on the “Study on the Structural and Agricultural-Environmental Measurements in areas producing Cotton in the Region of Thessaly”, (Region of Thessaly), in collaboration with the Laboratory of Rural Areas (University of Thessaly) and the Development Centre of Kalampaka and Pyli.
- 7.2.15** 2004-2005 Scientific responsible, “Internal Valuation of the Work of the Community Initiative EQUAL: Network for the Promotion of Employment”, at the Society of the Hellenic Agency for Local Development and Local Government S.A..
- 7.2.16** 2006-2008 Scientific responsible, “Internal Valuation of the Work of the Community Initiative EQUAL: «Social Economy and Entrepreneurship – local community: Integrated Support». Development co-operation: KENTAVROS, University of Thessaly, Department of Planning and Regional Development, Laboratory of Rural Areas
